

How to download draft statistics

1. From any page on the CIPFAstats website click on the drop down box at the top right of the screen next to 'I would like to'. Choose the option that says 'access draft statistics'.

The screenshot shows the CIPFAstats website interface. At the top left is the logo 'cipfastats.net an IPF Online Service'. To the right is a navigation bar with 'I would like to' followed by a dropdown menu. The dropdown menu is open, showing several options: '...', 'search this website', 'view a full publication listing', 'download a questionnaire', 'access draft statistics' (which is highlighted in blue), 'use the nearest neighbours models', 'browse by publication title', 'browse by service area', 'contact us', and 'go to the homepage'. Below the navigation bar is a main content area. On the left, there is a section titled '9th Local Government Monitor Survey' with an 'UPDATE' button. The text below it discusses 'Tourist tax or charging for waste collection? Revaluation or reform? The Lyons Inquiry has finally reported its findings and this is your chance to tell us what you think of the alternatives in the 9th Local Government Monitor Survey.' To the right of this text is an image of several blue and purple recycling bins. Further down on the right side, there is a section titled 'The numbers that count' with a graphic showing the numbers '38% 74' and text about budget setting and council tax bills.

2. On the next page you are presented with a comprehensive list of all the draft statistics currently available on CIPFAstats. This list is arranged alphabetically to make the statistics easy to find. Simply click on the link for the draft statistics you wish to access.
